

Press release – TKH participates in Euronext Tech Leaders initiative

TKH Group N.V. (TKH)

TKH has been selected as one of the Euronext Tech Leaders, an initiative dedicated to high-growth and leading Tech companies

TKH, a global frontrunner in Smart Vision systems, Smart Manufacturing systems, and Smart connectivity systems, is pleased to be part of Euronext Tech Leaders – the new initiative dedicated to high-growth and leading Tech companies.

Euronext Tech Leaders is composed of 100+ high-growth, leading Tech companies with a strong Tech DNA, each meeting a specific set of criteria to qualify. Euronext Tech Leaders complements Euronext's existing Tech offer, and aims to strengthen the European Tech sector and be a catalyst for the next generation of Tech leaders.

About TKH

TKH Group N.V. (TKH) is a leading technology company focused on advanced innovative technology systems in high-growth markets.

Our mission is to create best-in-class technologies in the field of Smart Vision systems, Smart Manufacturing systems and Smart Connectivity systems. TKH aims to create sustainable value for all its stakeholders and provides disruptive technologies that improve efficiency, sustainability, safety, and security.

The technologies are combined with internally developed software to create Smart Technologies and one-stop-shop solutions with plug-and-play integrated systems. TKH employs over 6,000 FTE employees and operates globally, with its growth concentrated in Europe, North America, and Asia.

TKH is listed on Euronext Amsterdam with the ticker symbol TWEKA. TKH reports in three segments: Smart Vision systems, Smart Manufacturing systems, and Smart Connectivity systems.
